had a parcel in his hand. "See, Miss Alice," said be, "here's a queer sort of parcel come for you. Can you imagine what it is? Pm sure I cant. 25 The young girl unfolded the paper and brought to light an exquisite bouquet of flowers. "How lovely! How very lovely!" she exclaimed. "Who could have sent them ?"

She gianced at her cousin as she spoke. erHe's old enough to have more sense." "Did you send them ?" asked Alice, drawing pearer to her cousin. "I-no. is it likely? See, here is a card attached to the papers."

She took it up and read aloud-"With Capt. Hay's compliments." "Very polite-very polite-very kind," said her father, rubbing his hands. "Very kind, Jonathan walked to the window.

Mr. Le yman—that was the elder gentleman' name—took his daughter's hand, and turning her round with pardonable fatherly pride, examined her appearance with evident satisfac-"Not amiss, is she, Jonathan?" he said to the vounger man. No-that is, what were you saying? Ah!

He was reading a letter, and hardly lifted

blacyes from it to give the reply. Yet his voice elightly trembled. Alice blushed.

"Never mind him, Alice," said her father, be happy. God bless you, and-him !" fancying he saw his daughter's lips quivering with de app intment; these old bachelors are it a moment longer. glways cross and ill-tempered 27 was at the door.

Mr. Leyman went out to look at the carriage. and decide the fate of Cap: Hay-for Alice most invelerate jokers of the early times in had petitioned for time to think. standing beside him, holding out her small, ing almost like a diving statue—so calin, in inture on herseback, as usual at that day, he whate gloved hand. He took it, saying:

pale. Mr. Leyman was not down, but a figure was halled from a horse by a garralous old white gloved hand He took it, saying: Good sight. Theps, Alice, your first ball stood at the window.

r a moment the hand linger d in hie. "if you were only going, cousin Jonathan," ly, "so good night." he answered, almost barsh- for my j nrney."

When do you go?"

Alice went away alleatly, but turning at the door to my "good night" once more, Mr. Warring imagined be saw tears glistening through the vait which concealed her face. He started to be feet, but sirectly sat down again to his papers.

"Palsa to be excisimed, she makes a fool of me. A man of my age-ridiculous!" and his pen persished away fester than ever,

Hour after hour passed away. One, two, the small hand he held in his own." She raised her calm, and eyes to hi still at work. There was a stir below stairs, then a sound

about the ball, and to apparently forget about calmness got the writer at the table.

a pale face and compressed tips. But it was but for a moment. Her eyes grew brighter, her laugh more joyous, and Captain Hay Layman quitted the room with the young offi- hourse and unnatural.

I am sorry you set up for us," said Alice do." to her cousin. "You look quite tired out." "Thank you, but I do not feel so."

"It must have been a long, lenely evening to Not at all. I was too busy. Good night," Good night, cousin. How do you like Capt. "I think him a very bandsome man." "Yes, and he is so very fascinating."

I can well fancy it."

Good night.23

She ran a few steps up s'airs and returned bim like a groan. nd re-entered the room Cousin Jonathan, will you tell me if you or me to doit. Now good night. Go to bed, go alone. r you'll not look so lovely to-merrow, I can

into tears. guard against yourself," whispered pride. Several weeks had passed away. Philadelis was very gay, and Alice had been to many earties and balls, and few young ladies had emetimes appeared to be melancholy. One day the was sifting alone in the draw- mankind pride themselves will be sufficiently

ait and chat a while with her if she would permit him.

The westy look was gone in a moment. It The feast was like deblarant's in terror and dismay the coary took was gone in a moment. Before our comparing heroes, their generals ran was a very unusual thing for her could not be compared to ofr to amuse her, and it made her color come. "I have a good deal to say to you, Alice," gaid, takin a seat by her side. He took up

> "I got it from Mr. Thurlow." "Alice, did you never hear the old song-Though had lavers so many, She has not on whom to decide,"

"Hush, Jonathan. If you talk like that I ball send you away." He took ber hand and held it in both of his "My dear little cousin, will you take a word

Alice neither spoke nor withdrew her hand, You are very young and very lovely," coninned Mr. Warring. "You have no mother o guide and advise you, and, as mistress of our father's bouse, have many deep respons:ditties resting upon you. Yours is a trying position, though I am sure you wish to do right. Many will envy you, many consure you-" He paused, for Alice was sobbing, and laid But every arm was Arcoginened, and every heart was her face on the pillow of the sofa.

We shall al-Her fingers closed on his. "Remember then, Alice, that you give no The galant southern chiralry will die, but never yield : ground for censure. Above all take care that

"You are not angry with me, Alice?"

"We old bachelore," he continued with a meant to give you a word of caution before I dead.

work of great receives an account, yet soft and gentle cettlest, as that of the graceful young creature with whom he was conversing.

"Well, well, Alice," each the grademan, while sumething like a sight escaped him. "I solive an one of the total to be in wife would be to her the happiness.

"I hope you will erjy it as much as you expect to do."

"If to pe so, Coosin Jonathan; but tell me," who can be a bad just struck her, "while a much as you expect to the do."

"Woull not miss me; besided as he you will a struck her, "why are you not going with as 20.

"Woull not miss me; besided as he your. She had always regarded him as a little child, and the name of Cousin Jonathan giver to him then had stuck to bim as the warm of the rear owner to the world of no servers. The varieties of the surface of dinner, and the name of the warm of the death of the surface of the received by his wife, who came to ask him was but a very distant connection of her father's, but she had flowed him as as a little child, and the name of Cousin Jonathan giver to bim then had stuck to bim as a generous provider, and proud of his tiller to be at a bail?"

"What a silly thing you are," said A N C flasphens B; Simmans J B; Smith B A; Smith B A

pangs of hopeless love and wounded pride in the vegetables not brought in 577 goit the room.

That night they had no engagement, and slettus alone. Here it is." "Not Jonathan, I'm sure," said her father. Leyman, taking her hand in his.

He's old enough to have more sense."

Mr. Warring looked earnestly at her. A joined him.

line were almost colorless. A strange thought "Now let us have peace, and some dinner." came over him—a thought that made his pulse the good woman pocketed the money, rang the at wildly and his hand tremble. a Could it be so ? He tried to ask himself a try and vegetables was brought in. mestion, but he dared not answer it. The servant entered-"Captain Hay in the library."

"Why did you not ask him up here?" said Mr. Leyman, sharply. "He wishes to see you alone, sir " Mr. Leyman had quitted the room.

"Alice had risen and walked to the window, where she stood, holding the window frame with both hands. Her face was deadly pale. clare you are the most provoking man I ever That explained all. "She knew of Captain saw !" Presently he rose.

"Alice, I shall go to my room I have letters to write, and II might be in the way."

She turned to him such a mute expression of "My company? I havn't an "Please, Pap ," she said, "don't ask Mr. anguish that he uttered an expression of herror Warring to admire me. You disturb him and surprise. She stratched out her hands to from his letter; besides-Pm sure-it doesn't bim as if in wild entreaty. He sprang to her -that is, I do not -- "

side Her hands were cold and lifeless as those of a corpse.

side Her hands were cold and lifeless as those of a corpse.

sold Jonathan, again briefly glancing from his "Alice, my darling," he murmurred, "do not was waiting for, my dear, and I came at the company of the course to support that was what I said I was waiting for, my dear, and I came at the course of the be happy. God bises you, and—him !"

He herried from her presence, unable to bear
